

*Application Information for Filing for a Certificate of Appropriateness
for Local Historic Districts & Landmarks*

PLEASE READ THE ENTIRE APPLICATION PACKAGE

The Town of Boone strives to review applications as efficiently as possible. The policies outlined below enable Planning Staff and the Historic Preservation Commission to give each application the attention it deserves. Complete applications will be scheduled to appear before the Historic Preservation Commission; incomplete applications, however, will be returned to the applicant pursuant to Article 4 of the Town of Boone Unified Development Ordinance (UDO).

Approval of a Certificate of Appropriateness is required before any “major work” may be carried out with respect to improvement of a property located in Boone’s local downtown historic district. Major work may include, but is not limited to, the following:

- A. New construction or additions to buildings
- B. Reconstruction of buildings once located on the site but demolished or moved at some previous time
- C. Restoration or rehabilitation of an historic property to its historic appearance
- D. Pointing of masonry as well as alteration, repair, or replacement of masonry, siding, roofing materials, architectural trim elements, foundations, windows, doors, and other significant architectural details
- E. Demolition of any part of a building or structure
- F. Work that is likely to disrupt or damage known or discovered archaeological resources on the site
- G. Moving of buildings
- H. Replacement of architectural details when there will be a change in design or materials from the original or existing details
- I. Changes to rooflines
- J. Establishment of exterior fire exits
- K. Exterior modification of existing buildings for ADA compliance
- L. Painting or stuccoing of buildings not previously painted or stuccoed
- M. Installation of mechanical systems, air conditioning units, vents, and related equipment in primary elevations that involves alteration to the building facade
- N. Location of satellite dishes, solar panels, and other roof attachments to the primary elevation roof and/or facade of a building if they are not effectively screened or are visible from a public street

I. Applicant Signature and Property Owner Authorization

I hereby certify that I am authorized to submit this application, that all information is correct and complete, and all work will comply with all applicable State and local laws, ordinances, and regulations.

I acknowledge and agree that the Historic Preservation Commission members, Town employees, and Town agents may enter, solely in performance of their official duties and only at mutually agreeable times, upon the applicant’s property for examination or survey thereof pursuant to North Carolina General Statute 160A-400.8.

I understand and agree that an approved Certificate of Appropriateness is valid only for the particular application, plans, specifications, and related project details presented to, and approved by, the Historic Preservation Commission. Any proposed modification or addition must be submitted to the Planning and Inspections Department for review.

By signing below, the applicant agrees to notify the Planning and Inspections Department of any changes or alterations in the data contained in this application, the approved plans, or the approved specifications related to the project that is the subject of this application.

Hearings on Certificate of Appropriateness applications before the Commission are quasi-judicial proceedings. Therefore, Historic Preservation Commission members cannot discuss a pending application with the applicant or other party. By signing below, the applicant agrees to refrain from speaking with or contacting any member of the Historic Preservation Commission about an application outside of the formal evidentiary hearing on the application.

COA for Major Work Supplemental Checklist

Note: The following is a checklist for the presentation materials needed for your application. It is the applicant's responsibility to provide adequate photographs, architectural plans, and other material to enable the HPC to understand the proposal and its impact on the historic district/landmark. The consideration of the application may be delayed if preservation materials are not sufficient to evaluate the proposal.

- Written Description of the proposed work: Describe in detail the scope and nature of the proposed project, including exact material types, colors, and dimensions for materials to be used (e.g., width of siding, color of window trim, type of roofing materials, etc.).
- Design Standards References: Cite the applicable sections of the design standards related to and/or reflected in the proposed request.
- Photographs of Existing Conditions: Provide current photographs showing the present conditions of the area where the work will be completed and/or the portions of any existing building that will be affected by the proposed work. Photographs must be clearly labeled and keyed to a site plan.
- Site Plan: For development which includes modifications to the site in addition to the building, the applicant shall provide scaled drawings prepared in accordance with UDO Appendix A, which depict at least the relationship of all buildings, secondary structures, driveways, sidewalks, fences, drains, lighting, and trees to the property line. Clearly identify the location of any and all proposed changes. Caliper of trees should be indicated as measured from four and a half feet (4.5') above the earth's surface.
- Historical Documentation: If available, provide copies of historic photographs of the property in question, along with a list of any known previous alterations to the property (and the approximate date of those alterations). If the property is already listed on the National Register of Historic Places or is a designated Local Historic Landmark, include a copy of the nomination text for the property.
