 - + Information on whether the item has been coordinated with any Town departments
 - + Include any costs associated with your request
 - + Any impact your request might have – this might be a budget impact, community impact, etc.
- Attachments: If you are planning to show a presentation or have some other form of documentation you would like to share with Council, this will need to be submitted with your action request form in order to be included in the Council meeting packet. Town staff will provide the necessary equipment for you to give your presentation to Council and will have it set up for you prior to the meeting. All attachments should be sent in PDF format if possible. Please give a title to any attachments that will adequately identify what the attachments are. If your presentation is not available in PDF, please contact the town clerk to coordinate.
