

Water Wise Citizenship Award

Each year the Town of Boone Public Utilities would like to recognize local citizens and businesses for being Water Wise.

We all know that saving water is a great thing to do for the environment and for your pocket book. But now, every drop you save could make you a winner!

Share your innovative water-saving techniques with us and you may be rewarded with a gift package! Simply fill out the easy application, send it in and you could be a winner!

Please submit entries by mail, fax or e-mail to:
