

SIGN UP TODAY FOR THE WATER/SEWER COMMUNITY ASSISTANCE PROGRAM!

What is the Community Assistance Program?

The Town of Boone Community Assistance Program works to provide financial support to select non-profit organizations that address local needs. Town of Boone Water & Sewer customers have a unique opportunity to support this program through their monthly utility bill. Participation in the Community Assistance Program is completely voluntary, and customers control the amount they wish to donate. Participation in this program can accommodate a customer's budget while providing a consistent and protected way for them to donate to nonprofits that serve our local community. These contributions are also tax-deductible.

By filling out and submitting the Water/Sewer Community Assistance Program Enrollment Form on the back of this flyer, **you** can be a part of this exciting program. Participating customers will be part of a program that has a very real impact on our local nonprofits and the community members they serve.
